WORK EXPERIENCE

2016– assistant research fellow; University of Debrecen, Department of Ecology

2017– assistant research fellow; MTA-DE Lendület Functional and Restoration Ecology Research Group

EDUCATION

2017	PhD in Environmental Sciences
2013–2016	PhD program, Juhász-Nagy Pál Doctoral School, University of Debrecen
2011–2013	Biologist MSc, Plant biology specialization, University of Debrecen
2008–2011	Biology BSc, Ecology specialization, University of Debrecen
2004 –2008	Herman Ottó High School, Biology specialization, Miskolc, Hungary

LANGUAGE SKILLS

Hungarian: native

English: C1

French: B1

AWARDS & GRANTS

2019 Environmental Protection Youth Award of the Hungarian Academy of Sciences

2018 Grant of the Hungarian Talent Programme (NTP-NFTÖ-18)

Conference travel grant by the Hungarian Academy of Sciences (61st Annual Symposium of the International Association for Vegetation Science, Bozeman, USA)

Erasmus+ grant (study trip at the University of Tartu, Estonia)

2016 Grant of the Universitas Fund

2015 Grant of the Hungarian Talent Programme (NTP-EFÖ-P-15)

Group study trip grant by Campus Hungary (Czech Republic)

2014 Group study trip grant by Campus Hungary (Finland)

Group study trip grant by Campus Hungary (Italy)

2013 Medallion of the University of Debrecen (For outstanding scientific and community work)

Eötvös Lóránd Student Grant (TÁMOP 4.2.4.A/2-11-1-2012-0001) by the Hungarian Ministry of Human Resources

Group study trip grant by Campus Hungary (Spain)

2011–2013 Grant of the Talent Management Program of the Univesity of Debrecen

REVIEWER & EDITORIAL WORK

2015–2019 Reviewing for 9 scientific journals (*Land Degradation & Development*; *Data in Brief*; *Journal of Agricultural Science and Technology*; *Acta Botanica Hungarica*; *Journal of Vegetation Science*; *Restoration Ecology*; *Flora*; *Acta Botanica Croatica*; *Folia Geobotanica*; 22 reviews in total)

2019 Guest Editor (*Journal of Vegetation Science*, special feature: "Dispersal and establishment as drivers of vegetation dynamics and resilience")

2018 Language Editor, *Kitaibelia* journal

MEMBERSHIPS

2019– Horizont Nature Conservation and Scientific Association (founding member)

2017– Society for Ecological Restoration (member)

2016– Eurasian Dry Grassland Group (member)

2015– International Association for Vegetation Science (member)

2014– HAS DAB Environmental Committee, Botany workgroup (member)
